

Jog-a-thon 2020 Day-Of Checklist

- **ATTIRE:** Color and decorate your Jog-a-thon shirts! Students, teachers, and families are encouraged to dress crazy for Jog-a-thon! Wear crazy socks, athletic wear, and hair. The crazier the better! We will have a few extra shirts available for those who could not make it to shirt pick up last Friday.
- **JOG MAP:** Review this map to see the flow for each course. Grades PK - 3 will run the upper course (green bubbles). Grades 4 – 8 will run the lower course (blue bubbles).
- **SPECTATORS:** Please consider immediate family only.
- **HEALTH SCREENING:** Please complete your health screenings prior to your arrival using the QR code you received last Friday or go directly to the form: <https://forms.gle/e4KwnjkXHVnkpGen6>

- **BRING:** Masks and a water bottle. Runners, spectators and volunteers must wear masks during their assigned run times. There will be no water stations this year, so come prepared with a filled water bottle.
- **BATHROOM:** Please have your child visit one at home before you arrive on campus as students will not be allowed entry into the school building.
- **ARRIVE ON TIME:** We will be keeping to a tight schedule so please allow extra travel time/time to park so your child can run/walk their full 20-minute session.
- **PARKING:** Please do not park on 79th street for safety reasons. Students who are running the lower loop will be crossing 79th street to get to and from their course.

- **PARENTS:** While you are cheering on the runners, we may ask some of you to help with marking laps, recording laps, or standing in as a safety guard on the lower course. Please come prepared to volunteer in some (easy) capacity during your session while you cheer on your child. Together We Can!
- **HAVE FUN!** We are excited to enjoy St. John School's 8th annual Jog-a-thon with you! See you there!
